

# Do You Have a Spinal Cord Injury and Chronic Pain?

**If so, you may be eligible to participate in this study!**

## What's involved?

- Using an app for 10 minutes a day for 6 weeks.
- Completing 3 online surveys.

**NO in-person visits are required!**

## Will I get paid for my time?

YES! You can receive up to \$85 for participating.

## What's the study about?

We are studying the impact of two different mobile apps. We want to know if they help people with Spinal Cord Injury (SCI) who have chronic pain.

## Who's leading this study?

Dr. Harvey Levin at Baylor College of Medicine and Dr. Radha Korupolu at UT Health & TIRR Memorial Hermann.
